

## **How to Shop Online And Earn Donations for Support Connection**

### **Do You Shop Online? Chances Are Your Favorite Retailers Will Donate A Percentage of Your Online Purchases to Support Connection!!**

Recently, Support Connection joined forces with “Shop to Earn”, a virtual shopping mall that enables you to shop online with discounted prices at many of your favorite retailers. When you make an online purchase at a retailer’s website that you access through the “Shop to Earn” site, **the retailer will automatically donate a percentage of your purchase to Support Connection!** It’s easy, safe and secure, and you’ll be helping Support Connection. Here’s how it works:

1. Before shopping online, go to one of the following websites to see if there are any discount coupons for the store or stores where you want to make a purchase: [www.retailmenot.com](http://www.retailmenot.com), [www.couponcabin.com](http://www.couponcabin.com), [www.1001coupons.com](http://www.1001coupons.com), [www.couponalbum.com](http://www.couponalbum.com), [www.freeshipping.com](http://www.freeshipping.com), [www.promotionalcodes.com](http://www.promotionalcodes.com), [www.couponwinner.com](http://www.couponwinner.com). Print out the coupons or write down the discount or promo codes. You’ll need to enter them when you go to checkout your purchases.
2. Go to **[www.shoptoearn.net/supportconnection](http://www.shoptoearn.net/supportconnection)**
3. At the top of the page, look for a store (for example, Target) in the “Store Search” box, or use the scroll tool where it says “Retailers A-Z” & search for a store that way. There are over 800 major retailers listed! (Or click on one of the product categories on the left side of the page & you will see icons of retailers in that category.)
4. Click on the store’s icon and you will be brought to their website. (You must access the store’s website through Shop to Earn to ensure that your purchase will be tracked to qualify for a donation to Support Connection.)
5. Make your purchase as you normally would. When you go to checkout, enter any coupon or promo codes you have to get your discount.
6. After you make your purchase, the retailer will donate the percentage that you see next to their name to Support Connection.

Be sure to tell your friends about this wonderful way to shop while helping to make a difference in the lives of women with breast and ovarian cancer. Thanks from all of us at Support Connection.
