

**Toll-Free Teleconference:**

# INTIMACY AND SEXUALITY AFTER CANCER

**Open to Women Living With Breast , Ovarian & Gynecological Cancers**

Ask questions, share concerns, and learn ways to cope with the changes cancer brings to your life.

*Some topics to be discussed:*

- Removing the stigma; normalizing the impact of cancer on sexuality and intimacy.
- Body image, sexuality, intimacy and your relationship after cancer.
- Explicit discussion of sexual difficulties after cancer: Has anyone seen my libido?
- Recommendations and resources for improving one's experience

**Wednesday, January 25, 2012**

**7:00 - 8:30 pm**

The Presentation and Discussion  
will be led by

**Mindy R. Schiffman, PhD**

Senior Staff Psychologist,  
NYU Fertility Center

Clinical Instructor,

NYU Obstetrics and Gynecology Dept.

**Robin Perlmutter,**

Support Connection Clinical Director  
will help facilitate the discussion.
